Special Sessions consist of a group of papers having a common, unified theme. These types of sessions are excellent opportunities to give the audience depth and breadth of exposure to a particular issue, in a way not possible through a single paper.

Persons wishing to organize a Special Session should submit a proposal in PDF format to Special Session Co-chairs (nolta10SS@is.tokushima-u.ac.jp) any time up to 15 February 2010. Proposals should include:

- (1) Title of the Special Session , A concise description of the subject area.
- (2) Email address for contact of the organizer(s), a maximum of two.
- (3) List of, four to ten, prospective contributed papers:
title, author(s), and contact information of the corresponding author.

SCHEDULE
